

REMARKS

This amendment is responsive to the Office Action dated October 18, 2005. Claims 19 - 33, 49 - 57 and 80 - 90 are pending in this application and are indicated to be allowable.

Claim Objections

The Examiner objected to informalities in claims 31 - 33, 81, 82 and 88. These claims have been amended in accordance with the Examiner's suggestions.

Claim 49

Claim 49 was objected to at page 21, line 11 and it was suggested that "a" be changed to "the". This change has not been made because it is believed that there is no antecedent for "bonding-use transparent conductive oxide layer."

In view of the foregoing, it is respectfully submitted that the application is now in condition for allowance, and early action in accordance thereof is requested. In the event there is any reason why the application cannot be allowed in this current
